

WESTBROOKE PLACE REPLACEMENT MAILBOXES

Because original mailboxes installed at Westbrooke Place in 1991-93 are no longer available, the Board has updated the required mailbox post and box combination to the following when owners need replacements. The approved mailbox system is sold through:

CHARLESTON MAILBOX SYSTEM

\$329.99 - \$349.99; FREE SHIPPING!

The Charleston Mailbox and Post System remains our most popular model and features a classic decorative bracket, pineapple finial, and Corinthian base. It is mounted on a sturdy 2.5 inch post. As with all of our products, the Charleston mailbox system is crafted of 100% rust free aluminum. This decorative mailbox will serve as a beautiful introduction to your home for years to come. Our decorative address number plate with our 2" Williamsburg brass numbers are included with your purchase. Please note that the address numbers depicted in the picture are slightly different than our unique brass numbers.

Product Features:

- Beautiful, sturdy residential mailbox and post combo that is easy to assemble and install.
- All metal, rust free construction in a classic design that adds instant curb appeal.
- Rich, powder coated finish that will stand the test of time against the elements.
- Your choice of Standard or Large mailbox for bigger packages (Postmaster Approved).
- Solid brass house address numbers included with your purchase.

For an additional charge, you can opt to have Addresses of Distinction install the mailbox for you. Please keep in mind that the box must not overhang the curb to avoid future damage. If space is restricted, please contact the ACC Chair (acc@westbrookeplacehoa.com) for help.
